Review Type: QM-Managed Review

Dear Rick,

Thank you very much for submitting your course amendments for review. Your amendments for MBA8150 were reviewed by a certified Quality Matters Master Reviewer.

I am pleased to inform you that the course now meets Quality Matters review expectations. Your amended Final Report is now available.

What Happens Next

1. Log into the [Course Review Management System](#) (CRMS) to [view your Final Report](#) from your Open Course Reviews. There are three report formats available.
2. Upon verification by QM staff that your review has concluded, the review will be closed and the Final Report will be displayed under the institution's closed course reviews. A PDF copy will be available to email.
3. For official (QM-Managed or Subscriber-Managed) reviews, the Certificate and Certification Mark will be available to the Course Representative and QM Coordinator. [Instructions for using the Quality Matters Certification Mark Widget Maker](#) to display your Certification Mark are available on our website.

QM encourages you to share your achievements! There are some [resources available on our website](#) for both official (QM-Managed or Subscriber-Managed) and Internal Reviews.

- [Press Release Template](#)
- [Use Public Relations](#)
- [Create and Share Videos of Best Practices](#)
- [QM Essentials Banner for Internal Reviews](#)

On behalf of Quality Matters, thank you for participating in a Quality Matters Course Review.

Sincerely,
Calvin Scheidt, QM Master Reviewer
